Subject: Draft BDCP DEIS comments cover letter

Greetings, Bay-Delta Fans!

Attached, for your review, is the current draft of our cover letter to FWS, NMFS, and BOR regarding our comments on the BDCP Draft EIS. The cover letter lays out the basis for our **Ex. 5 - Deliberative** of the DEIS, and summarizes the major issues. The letter and proposed rating will be the focus of our meeting tomorrow (Wednesday) at 1pm. The extensive Detailed Comments that will be enclosed with the cover letter are still under development. Barring anything unforeseen, I expect to complete my review of the first draft of those comments by the end of this week. Our goal is to have the complete package (cover letter and Detailed Comments) ready for HQ review by the week of May 12th. The comments are due to FWS,

NMFS, and BOR by June 13th. We will review with you, during our meeting tomorrow, the steps that must be taken between now and that date.

-Kathy
